**Stamford Implements Enhanced Monitoring for Coronavirus (2019-nCoV)**

STAMFORD, Conn. — The Centers for Disease Control and Prevention [continue to report the Coronavirus](#) (or “2019-nCoV”) is not spreading in the United States at this time, however the CDC has recommend local municipalities enhance monitoring for the disease.

Effective immediately, the City of Stamford’s Department of Health is requesting all persons in Stamford returning or visiting from China since January 22, 2020 to immediately call the Department of Health at 203.977.5385 for further instructions.

No infections of the Coronavirus have been reported in Connecticut as of February 4, 2020.

Residents can find more information about the Coronavirus by visiting the CDC’s dedicated website about this developing issue: <https://www.cdc.gov/coronavirus/2019-ncov/index.html>.
